

MIGALOO
HOME

Migaloo is an aboriginal term meaning „white fellow“. It is a name of albino whale that lives off the Great Barrier Reef of Australia.

It is the only animal that can be seen from the airplane.

Migaloo home is a brand established in 2015 by Michał Grzesiak, Monika Błaszowska. Our philosophy is to combine aesthetics with functionality, as well as traditionalism with modern forms. Migaloo Home team is formed by ambitious and creative people sensitive to the environment in which they live and work. We cooperate with local manufacturers and source local.

We attend shows all around the world.
